Re; Canadian Fallen Heroes Program

Dear Mr. Bob Cowie:

Thank you for bringing the Canadian Fallen Heroes project to our community. The respect and enthusiasm with which your program has been received in our community, by organizations and individuals, is a testament to the esteem and value with which we hold our beloved Veterans. We are also grateful to the Strathmore Legion for their ongoing support of Veterans and their families. When President Schumann offered the opportunity to participate in this worthwhile program, Strathmore's Town Council clearly recognized that this was something our community would support.

We are eagerly anticipating the March 24, 2016 event in Strathmore's Great War Memorial Hall that will formally unveil the tributes to our fallen heroes. Strathmore Town Council has elected to place a commemorative picture plaque in each of our community schools. We know that adding this element to the lives of our community's student population will bring to life the sacrifice of these remarkable men and women.

As a Council we have committed to encouraging other organizations and individuals to support the project so that soon we will have a sponsor for each of Strathmore's Fallen Heroes. Thank-you for this opportunity. We look forward to our continuing relationship.

Sincerely;

Mayor Michael Ell and Strathmore Town Council
